The LNA Notary Survival Kit

This is one desk reference you can't do without. Developed to meet the needs of newly commissioned notaries, this 500+ page auxiliary reference is an indispensable tool for even the most experienced notaries. Updated to reflect rule changes, this one book contains everything notaries need to set up shop, including the template-based forms and background information from state and federal agencies that is critical to completing transactions every notary is called upon to execute, including vehicle transfers, titled movable transfers, vital records registry and more. In addition, the kit features:

- Up-to-date statewide contact list for government agencies, recording clerks, Parish maps, recorders and municipal courts
- Secretary of State forms and resources
- Complete Notary Public
- The most requested articles from Signed & Sealed.
